Township of East Brunswick, Middlesex County, New Jersey*

Dear Mr. Matilsky:

We would like to express our sincere appreciation for the excellent job your company did as general contractor for Phase II construction at the Hatikvah International Academy Charter School. As you are aware, the owner went through an exhaustive process bidding and interviewing companies and yours was selected as the most qualified.

Your field staff and office staff performed ambitiously, and continually controlled costs and schedule throughout.

Matilsky Construction has been a pleasure to work with.

Very truly yours,
